## RU540HA RIB Ali Ultra Vee Chase #790

**A TRUE DEEP WATER BOAT.** An aluminium RIB suitable for hard use offshore with high powered engines. Built to ISO6184 standards and internationally certified by Germanischer Lloyd, Germany as suitable for military use. The deep vee and raised tubes ensures an easily driven hull without compromising stability at anchor. The 2-man central console proves a roomy layout with plenty of space for stowage. **SUITABLE FOR:** Defence, commercial work boat, fishing, diving, or family fun.

### Tube fabric

Longer lasting Hypalon fabric with HD wear strakes, bonded to the hull.

### Hull or Board material

Marine grade 4 mm aluminium hull with welded girder frame, deck, engine well and bow step.

### Standard Equipment

2 man console, engine well, bow step with storage, non skid deck tapes, underfloor fuel tank 125 L, cable steering, paddles x 2, internal lifelines, footpump, repair kit, Battery nav lights & bilge pump.

### Optional equipment

Windscreen & Railing, Hoisting stand for single point lift, hydraulic steering, external lifelines
