

390P Prof Supersports & 3 pce F'Brds

Heavy duty inflatable with inflatable keel

The winner of a NZ Design award, this advanced Hypalon inflatable boat incorporates numerous features identified by commercial users as being important for safety and performance. It provides for *abnormally long life, brilliant seakeeping characteristics, comfort and control in any conditions.* Its unique rounded bow, reverse bow angle sheer and streamlined appearance make it a boat for the true connoisseur.

Tube fabric

1680 denier nylon fabric coated with HYPALON both sides. Double the strength of most inflatables.

Hull or Board material

Unique reverse angle bow sheer with extra large inflatable keel 23 degree Vee. Floor boards being 3 piece fibreglass composite floorboards.
