

# LANCER

## RS1300 RIB Deep vee

Heavy duty, deep Vee with chine

**Hi speed, hi load carrying rigid inflatable boat. Robust aluminium plate hull with self draining deck. Extremely strong and durable HYPALON inflatable tubes with multiple compartments and wide rubbing strip. This boat rises to the plane at very low speeds and little power, but can sustain hi speeds in difficult conditions.**

### Tube fabric

Longer lasting Hypalon fabric

### Hull or Board material

Heavy duty aluminium plate made to Safe Ship Management Codes

### Standard Equipment

Painter eye (bow), Towing eyes (stern), Drain bung, Self draining scuppers, Internal lifeline, Repair Kit, Tube Instructions. Space is available for underfloor fuel stowage. The deck is virtually flat throughout and suits numerous internal layouts.

### Optional equipment

Numerous options from diesel to outboard, with many different internal layouts. Chase boat package (Central console, forward and aft towing pole, central console and bolster seats, bimini cover.)
