

LANCER

RT230HA RIB Ali Tender

Folded Aluminium Sheet Bottom

A Lightweight Rigid Inflatable Boat designed for maximum stability and load carrying ability. Featuring Lancer's new stylish "Twist, Turn & Taper" Tubes that create the best hydrodynamic hull shape, for a dry seaworthy boat. The wide shallow hull provides an excellent planing surface for maximum performance with low powered outboards. Compact blunt stern for maximum internal length and ease of storage.

Tube fabric

Longer lasting Hypalon fabric.

Hull or Board material

2.5mm folded sheet aluminium hull complete with strakes, stiffened by Lancer's special transom support system and parcel tray.

Standard Equipment

Carry handles, Moulded rowlocks, towing point, Davit lifting points, Bellows, Oars, Repair kit and seat.

Optional equipment

Spray dodger. Rubbing strip
